Wheat Pool Reports Increased Grain Handlings

The annual meeting of the farmer-owned Alberta Wheat Pool opened in Calgary on Tuesday of last week and is expected to last for ten days.

A. T. Baker, general manager, told 70 delegates, representing all regions of the province, that the organization had experienced another favorable year. Grain handlings through country elevators amounted to about 61,500,000 bushels or 37 percent of all grain marketed in the province. This was an increase of more than 7,000,000 bushels over the previous year.

Net earnings for the 1956-57 season were \$1,292,815, after taking into account normal and special capital cost allowance (depreciation) totalling \$2,020,861. This was a little higher than in 1955-56. Later in the week delegates will decide on the distribution of earnings and it is likely most will go out to members as patronage dividends or in the purchase of reserves.

Mr. Baker reported the construction of six new elevators, the purchase of five and the demolition of three old elevators, bringing the total at July 31 last to 533. The capacity of the Pool country elevator system was increased by about 750,000 bushels in the last crop year making a total of nearly 40,000,000.

As a result of low ocean freights, a record volume of grain moved through West Coast ports in the past year and Mr. Baker said the Alberta Wheat Pool shared in this large movement. A 2,000,000-bushel extension to the Pool's Vancouver terminal was completed during the year. Another large terminal is located at Port Arthur. It, too, handled an increased volume of grain.

For the first time in history there was a heavy movement of flax to Pacific ports and cleaning machinery installed in the Pool terminal was operated on a 24-hour basis. There was also a substantial westward movement of rapeseed for the first time.

Delegates will discuss agricultural problems and particularly the disposal of surplus wheat and the cost-price squeeze.

Among the delegates attending the Pool's annual meeting are C. J. Versluis of Champion and V. J. Bertrand of Milo.

SERVICE BOARD NOTES

H. S. Burns, Field Supervisor

According to a forecast recently released by the Plant Products Division, Canada Dept. of Agriculture, Alfalfa seed is expected to exceed last year's production by 50%, but production is still lower than average. Acreage sown to Alsike Clover in Alberta has increased but due to vagaries of the weather, harvest has been uncertain, but it is expected to be nearly double the 1956 crop of 4,245,000 pounds.

The crop of Sweet Clover seed is about the same as 1956, 19,775,000 pounds but the prices offered growers may discourage production.

Bromine grass seed is expected to be only 1/2 of last year, that figure being 6,210,000 pounds, the smallest in recent years.

Production of Crested Wheat grass in Alberta and Manitoba is about the same as a year ago, but Saskatchewan may have about 25% more.

Creeping Red Fescue is expected to be about 25% more in Alberta than last year, this seed is grown mostly in Alberta and the Peace River area of British Columbia.

It is thought that the price of most of the commonly used seed in this area will be considerably lower than that which prevailed in 1956.

Bangs' Vaccination

This work is proceeding quite well, it is expected that by Dec. 1, the vaccination of heifer calves will be about one-half completed for the fall season.

Candlelight Circle Elects Officers

The regular meeting of the Candlelight Circle was held at the home of Mrs. Myrtle Rutberg. Due to the stormy weather and conditions of the evening, there were only 16 members in attendance.

The meeting was opened with the singing of several hymns after which everyone repeated the Lord's Prayer.

The devotional for the evening was brought by Mrs. Betty Wickstrom.

Plans were made for a fellowship supper to be held at the church on Friday, Nov. 29. The month's mission money was sent to the little adopted girl in India.

Election of officers for the New Year took place with results as follows: President, Mrs. Ruth Dann; vice-president, Mrs. Betty Wickstrom; secretary - treasurer, Mrs. Mae Spaeth; social secretary, Mrs. Myrtle Rutberg.

Mrs. Mary Dann then favored the group with a lovely solo in song, accompanied by Mrs. Ellen Haga on the accordion.

To bring a most enjoyable evening to a close, the hostess assisted by Elsey Hollister, Muriel Smith and Mae Spaeth, then served a very delicious lunch.

Scott and the groom's brother, Marvin Groves.

Mrs. Stevenson of Brooks played the wedding music and accompanied the groom's sister, Jean Groves, who sang, "I Love You Truly," during the signing of the register.

A reception and cold plate turkey supper for 130 guests followed the church service in the L.O.O.F. Hall. The bride's table was centered with a three-tiered wedding cake set in net and flanked with white tapers. Don McCord of Queenstown proposed the toast to the bride to which the groom responded. Mrs. McCord was in charge of the guest book.

The bride's mother wore a dress of dusky blue with pink and silver accessories. The groom's mother wore a dress of blue-grey with navy accessories.

For the honeymoon trip to the U.S.A., the bride changed to a blue wool dressmaker suit with which she wore fuchsia accessories. Her corsage was sweetheart roses. A little different feature of the wedding was when the newly weds were re-entering the church after signing the register, Rev. Stevenson introduced Mr. and Mrs. Groves to the assembled guests.

A dance in the hall followed the reception. Among the guests was the groom's grandfather Groves of Calgary, who formerly lived at Champion. Guests were also present from Brooks, Creston, B.C., Peace River, Calgary, Lethbridge, Three Hills and Champion, Alta., and Regina, Sask., as well as the local communities. Also a guest was the bride's paternal grandmother, Mrs. Paterson of Creston, B.C. After the honeymoon the couple will take up residence on a ranch at Wardlaw.

Sales and excise taxes remitted to the federal government on new car production in the first nine months of this year totalled \$138,601,099, an average of \$450 tax payment on each of the 307,298 vehicles produced in the period.

An "Electronic Reservations Brain" was demonstrated recently in Toronto by Trans-Canada Air Lines. The prototype "machine with a memory" was built for TCA by Ferranti Electric of Toronto after being conceived by Lyman Richardson, Communications Analyst with TCA in Montreal. It is expected to provide an up-to-the-second inventory of all available seats and complete a reservation in a matter of seconds. It will reduce by some 60 per cent the three-and-a-half million transactions that are required to book TCA's 250-thousand passengers a month. The nerve centre which handles all available space throughout the TCA network of some 26,000 route miles, processes 30,000 communications messages a day. The automatic system, if adopted by TCA, will reduce the number of messages by at least 80 per cent.

Ladies' Auxiliary Donates \$200 For Vets' Hospital Furnishings

Eighteen members answered the roll call at the November meeting of the Ladies' Auxiliary to the Canadian Legion, Wednesday evening, Nov. 20. Mrs. Earl Carruthers, the president, was in the chair and conducted the meeting, assisted by secretary-treasurer, Mrs. A. C. Marsh.

Correspondence, which was light, dealt with routine matters and appeals. \$10 each was donated to the Vulcan and District Library and the local Girl Guides.

Committee reports were given, which showed a very successful Poppy Campaign. The social committee reported that a card party would be held Thursday, Nov. 28, commencing at 8 o'clock, in the Legion Hall, to which the public is cordially invited. Whist and bridge will be played and lunch served.

The annual donation to the hospital fund was changed this year to provide a TV set or other needed furnishings for the new wing of the Belcher Hospital in Calgary. The sum of \$200 was voted to this cause, with Mrs. Marsh agreeing to interview the matron to ascertain the furnishing most needed.

After some discussion it was decided to ask every member to bring to the next meeting or otherwise donate, two items of groceries, to be used to make up two Christmas hampers for families in town. It is hoped that the members will be generous in this appeal.

The next meeting, which will be

the annual one, will be held on the regular date, Thursday, Dec. 18. A good attendance is requested. A short social period will follow the business session, when members will exchange small gifts and a program will be presented.

Bridal Shower For Miss Fay Fletcher

A miscellaneous bridal shower, honoring Miss Fay Fletcher, bride-elect, was held in the United Church parlors Saturday evening, Nov. 23. Some 35 friends of the popular guest of honor were gathered for a happy social evening of games and contests. A contest, arranged by Miss Irene Earl was won by Mrs. Ray Wellman.

The bride-elect was seated before a table decorated with pink and white streamers and a dainty bride-doll. A decorated basket, piled high with gaily wrapped parcels was presented to Fay by Miss Evelyn McMullen, who, on behalf of those assembled, extended the best wishes of all for a long and happy marriage. Assisting the guest of honor in opening her gifts were her mother, Mrs. Frank Fletcher, her sister, Mrs. John Wolfe and Miss Evelyn McMullen. Fay very graciously thanked her friends for their kind wishes and for the many lovely and useful things for her new home.

A dainty lunch was served by the hostesses, Mrs. Boyd McKay, Mrs. B. Banks, Mrs. Clay Snow and Mrs. S. Seales.

New Crop For Southern Alberta

Some 2,000 tons of safflower seed from southern Alberta is now on its way to Japan. With the success of this crop in the Foremost and Medicine Hat areas this year, enquiries from all over the province and beyond have been received at the Lethbridge Experimental Farm.

Early recognition of the suitability of safflower as a crop for southern Alberta must be credited to Cerealist W. D. Hay who for the past 20 years has been quietly testing varieties. While the earlier varieties proved unsatisfactory those produced later at the University of Nebraska, have shown a great deal of promise.

It was not until this year that interest was finally aroused, when two United States companies moved in early last spring and signed contracts with southern Alberta farmers covering some 15,000 acres. It proved a wonderful

Large Crowd Attends

Lions Club Celebrates 13th Charter Anniversary

One of the Vulcan Lions Club's most successful charter nights was held in the IOOF Hall Wednesday evening of last week, when the local club celebrated the thirteenth anniversary of receiving its charter.

A bountiful turkey dinner, served by the ladies of the Candlelight Circle, started the evening, with Lion President Elwood Myers welcoming visitors from out of town and Charles Fulton acting as master-of-ceremonies.

The main address of the evening was given by District Governor Harry Laubach of Dutton, Mont., and others who spoke briefly were Deputy District Governor Earl Ross of Lethbridge, International Counselor Dr. Bateman of Choteau, Mont., and International Counselor Stan Seales of Vulcan.

Entertainment in the upstairs hall followed the dinner, with well known ventriloquist, Hughie Campbell of Calgary and Eric Clingman of Blackie with a fast-moving magician's act providing fun and laughs for the crowd of 175 people.

Two hours of dancing to the music of Jack Pickersgill and his orchestra from High River concluded the evening.

Northcott Heads Library Board

The annual meeting of the Vulcan and District Library Board was held recently and the election of officers held. Charles Northcott was re-elected president; Frank Dann, elected vice-president; Miss Marion MacKay, re-elected secretary, and Mrs. R. Gold, will continue as librarian.

Plans were made for holding a bake-sale, in the Legion Hall, Saturday, Dec. 14.

The Library is still in need of funds to qualify for the government grant, despite the fact that supporting organizations have been helping quite well.

Annual Meeting Good Deeds W.I.

The November meeting of the Good Deeds W.I. was held at the home of Mrs. S. White one week later than usual, due to unelement weather. Ten members and one visitor were present. Roll call was answered with an item on the United Nations.

The visiting aprons were turned in and over eighteen dollars was realized from this project. A letter was read giving an account of the representatives meeting recently held in Vulcan. Also a letter from the handicraft convener for suggestions for the June conference.

As this was the annual meeting, an election of officers was held, with the following results: President, Mrs. Bob Hutton; 1st vice-president, Mrs. C. D. Brown; 2nd vice-president, Mrs. S. White; secretary, Mrs. Alicia Lyman; treasurer, Mrs. George Hutton; directors, Mrs. R. Irwin, Mrs. D. Campbell and Mrs. H. Smith.

Plans were made for the Christmas party and sending Christmas cards to former members. The tea raffle was won by Mrs. C. Brown. The hostess served a lovely lunch, assisted by Mrs. Montgomery. The next meeting will be held at the home of Mrs. E. F. Andrews.

opportunity to test the crop commercially says Mr. Hay, and results obtained were quite encouraging. With the contract price of 2 1/2 cents per pound and yields running up to 1,000 pounds per acre, safflower quickly became recognized as a useful crop.

With its long season requirements safflower is definitely not a crop for northern areas says Mr. Hay, and its growth will necessarily be confined to the south of the province. Vulcan, on the border of township 16 is about the northern limit for safflower production. Seeding can be done with the best harvesting method. Since safflower is only a fair weed competitor and is readily damaged by 2-4-D, clean summerfallow, preferably free from wild oats, makes the best seedbed in the dry areas.

Enquiries about cultural requirements and prospects for this crop may be addressed to the Cereals Division, Experimental Farm, Lethbridge.

School Holidays

School students and teachers will enjoy a 15-day holiday over the Christmas and New Year's season. Last day of school this year is Friday, Dec. 20, with schools re-opening on Monday, Jan. 6.

Seed Processing Plant To Be Built, Lethbridge

Western Canadian Seed Processors Limited announce construction plans for a \$270,000 oil seed processing plant at Lethbridge, on a site purchased from the City Oct. 4, for \$18,500.

The management is headed by president R. L. Greer, Industrialist of Calgary, and vice-president Hugh H. Michael of Claresholm, well known agriculturist. The directors are: Claude A. Duncan, Lethbridge; Matt C. Herbst, Warner; Alfred F. Oseen, Turin; Ray E. Kaupp, Lethbridge, and Tony Schoen of Warner.

The purpose of this company is to extract both inedible and edible oils from oil bearing seeds which can be grown in southern Alberta. The operations of this company will have a tremendous impact on agricultural development and prosperity by providing a market for a variety of cash crops.

The temporary headquarters of the company will be in the Bank of Nova Scotia Building at Lethbridge until such time as their own office building is ready for occupancy.

A limited number of shares will be offered to the public at \$2 per share.

OUR WHEAT CUSTOMERS ARE POOR PEOPLE

The cheers which greeted the announcement by Prime Minister Diefenbaker, that Canada could transfer 15% of its trade with the United States to Great Britain, have died down to a whisper. The British offer of free trade with Canada caused shudders among the manufacturers of Ontario and Quebec. They cite the high wages paid in Canadian plants as compared with the low wages paid to British workers.

What the manufacturers, and also organized labor, conveniently overlook, is that Canada is dependent on world trade to achieve any degree of prosperity. Three out of every eight Canadians make a living through our exports. To raise tariffs materially would be committing economic suicide. If Canada is to widen markets for surplus production this nation must be prepared to take the production of other countries.

What we have stated are manifest truths that are shrugged off by those who benefit from protection. They consider first their own interests, disregarding the danger of such conduct over the long range of history. It is true that workers in Britain and other nations do not get the high wages prevailing in Canada. The prospective customers for our food surpluses are poor people. It is unreasonable to expect them to buy freely from Canada unless we buy their production in payment.

We believe Prime Minister Diefenbaker was sincere in his plan to divert a greater percentage of the Canadian market to Great Britain. But Ontario, the bulwark of Conservation in Canada, may make conditions very difficult for him. We do hope the prime minister has the courage of his convictions for the West is looking to him to fulfill his promise of an expanding trade with the United Kingdom. That nation is the world's best market for our wheat and coarse grains.

Brooks Bulletin

WHY NOT APPLY THE SAME PRINCIPLES IN SETTING FREIGHT RATES IN EASTERN CANADA?

Canada's railways are petitioning for another ten percent increase in Western Canada freight rates. They have the rates now established so high that they are losing a very heavy volume to the trucking interests. The railways keep poking away at the Crows Nest Pass freight rates on wheat, oblivious to the weakness in their arguments when one analyzes the rate structure serving most of Eastern Canada. Freight rates down east are in many instances lower than what the Crows Nest Pass agreement allows for the movement of wheat . . . and wheat is one of the most easily handled freight problems in our entire economy. Some day, maybe, men with understanding and vision will take hold of Canada's freight rate structure and introduce sound common sense into it.

VULCAN WEST

Last Friday evening, Misses Deana, Linda and Lorna Mc-Masters attended a farewell party for Rev. and Mrs. Zimmerman in Nanton, who are leaving for P.E.I. soon.

Mr. and Mrs. Terry Cairns, Coleen and Michael of Granum, spent Sunday at the home of Mr. and Mrs. C. L. Dennison and Deirdre.

Several ladies from this district attended a shower in Nanton on Saturday for Miss Jean Knock of Lethbridge.

Mrs. Leslie Shaw spent a few days in Calgary last week.

Mr. and Mrs. Clarence Mote and Earl were visitors on Sunday at the Bob Gothard home.

Margo Fisher visited her grandparents, Mr. and Mrs. Robert Irwin a few days last week.

Mrs. Alicia Lyman spent a few

days last week in Calgary.

Mr. and Mrs. Bob Hutton and Donna were visitors in Arrowwood last Sunday.

Mrs. John Andrews and Mrs. Howard Marshman spent a few days in Calgary last week. John and children motored to Calgary on Saturday when they all returned home again.

Merle Smith, John Andrews and Howie Marshman are leaving this week on a hunting trip west of Nanton on Timber Ridge. Good luck boys.

Mr. and Mrs. Lyle Spanke and family of Calgary were visitors at the Leo Spanke home, the latter part of the week.

Mrs. Ted O'Grandy of Vancouver has been visiting at the home of her parents, Mr. and Mrs. Floyd Atkinson for a few days.

Howard Spaeth and Ben Dann were in Calgary on Monday and Tuesday on a business trip.

Arrowwood News

Bob Hill spent a few days in hospital last week after having the misfortune of having his arm caught in a grinder, requiring stitches and treatment. He has returned to his home and is recovering nicely.

Jerry Curtis is a patient in Vulcan hospital, we wish him a speedy recovery.

Mr. and Mrs. Leigh Williams and Mr. and Mrs. Bob Seeley attended the Lions Club Charter Night held in Vulcan last Wednesday night. All reported having an enjoyable time.

Miss Hazel DeWitt is attending the Toronto Royal, going with Mrs. Newman of Gladys Ridge.

The F.W.U.A. and F.U.A. held a joint meeting in the U.F.A. Hall on Monday night, with a good crowd attending. They tuned in on the Farm Forum program, and after this, a discussion of prices of farm machinery and changes that could be made took place. It was decided to have a speaker on the Egg Marketing on Monday night, with Mr. Rhodes of Brant being the speaker.

The annual auction was also held, with the sum of \$80 being realized from this. Following the meeting, Mrs. Margaret House and Mrs. N. Thorsen served a lovely lunch. The next meeting will be an afternoon meeting which will be held at the home of Mrs. R. F. Williams. A demonstration on the making of fancy breads will be given by Mrs. Williams, Mrs. Thorsen and Mrs. Ward.

Mr. and Mrs. Harold DeWitt and Miss Arda Iverson, and Mrs. Irene Romfo, all of Calgary, were weekend visitors at the home of Mr. and Mrs. Cliff Curtis.

The regular meeting of the Home and School Association was held on Tuesday night in the school, and was well attended, despite the road and weather conditions. Reports from various committees were heard. It was decided to sponsor Christmas bags for the school children again this year. Mrs. M. Ward, regional vice-president gave a report on the workshop at Banff, which she attended. Dr. Schneider of Vulcan, gave an interesting talk and film on "Dental Care", which was very interesting and informative. Following this W. McDaniel gave a harmonica solo which was much enjoyed. Lunch was served upstairs with Mrs. Leigh Williams, Mrs. Ella Hayes, Mrs. Frances Helm and Mrs. Myrtle Ward.

Congratulations to Grandma Ward who celebrated her 96 birthday this past week. A number of friends called to help celebrate the occasion. She has been in Alberta for 52 years, her great grandson now farms her original homestead. We hope she has many more happy birthdays.

Mr. and Mrs. Gordon Newby and family have returned to their home in Dinsmore, Sask., after spending last week in this district. While here they sold the place of business and residence to Mr. and Mrs. Frank Burger, who will be moving in shortly.

Ward Newbar and Terry of Calgary were visiting at Wards over the weekend.

Mrs. Myrtle Ward attended the Home and School Association meeting in Strathmore on Monday night, speaking on the whys and wherefores of the association.

The Ladies' Aid of the Brethren Church held their annual bazaar and fowl supper in the Community Hall on Friday night. They would like to thank all who attended and made it such a success. Approximately \$240 was realized from this.

Grandma Steiner, who has been a patient in Vulcan hospital for the past few weeks, was moved during the week to the Mount Royal Nursing Home in Calgary. We extend her our best wishes.

Mr. and Mrs. Bob Seeley attended a Silver Wedding anniversary celebration at Hussar on Saturday evening in honor of Mr. and Mrs. Harold Thew.

Don't forget the turkey bingo, sponsored by the Booster Club, coming on Dec. 4. Sixteen games for \$1.00.

Jack Wallace of Red Deer was a recent visitor at the home of Mr. and Mrs. M. Wallace.

Clete Duncan left Sunday for Calgary, where he will leave Wenatchee, Wash., to visit with relatives.

Mr. and Mrs. Dale Hood attended the wedding in Calgary on Friday of Phil Gooch and while in the city they took in the wrestling match.

Congratulations to Mr. and Mrs. Mel Reaugh (nee Eleanor Hill) of Devon, on the birth of a daughter on Wednesday.

Mrs. G. Richies attended a shower in Cluny on Saturday for Miss Anita Maynard.

Dave Munsey left last week for a holiday to Maine. He will also take in the Toronto Royal.

Misses Marvina and Myrna Beagle of Calgary, were weekend visitors at the home of Mr. and Mrs. Don Beagle.

Mrs. Helen Williams was the lucky winner of the frying pan from Brown's Grocery this time.

Mr. and Mrs. Bob Jessop have left for Calgary where they will spend the winter.

Mrs. Pearl Cawley is with her daughter and family, Mr. and Mrs. Jack Creswell of Calgary.

The Arrowwood 4-H Calf Club held their last meeting at the home of Mr. and Mrs. Hurley Williams. It was decided to get a sample book of crests and also some song books for entertainment use. A tour was set for Dec. 7, when a visit to each calf member's home to see how the calves are doing, will take place. Leigh Williams showed some pictures of last year's 4-H Club. Following this a lovely lunch was served. The next meeting will be at the Armeje home.

Kenny Beagle is a patient in the Vulcan hospital. Fay Speer also spent a few days in hospital, but has now returned to her home. Sunday visitors at the home of Mr. and Mrs. Melvin Beagle were Mr. and Mrs. Hugh Winch and Mr. and Mrs. Bruce Henry of Majorville.

Mrs. Abe Auestad and will feature the annual exchange of gifts.

Friends will be interested to know that Mr. and Mrs. Albert Bushel, former residents of the community, went to the Toronto Royal Fair and plan on a trip to their native England in the spring.

Best wishes for a speedy recovery are sent to Bob Scott who is a patient in Calgary Holy Cross Hospital after undergoing surgery on Thursday morning.

Mrs. Laura Sutherland was a visitor to Calgary for a few days during the week.

Bert Clemmons accompanied Larry Umscheid to Blairmore on Thursday for a load of lumber.

Mr. and Mrs. George Heather were visitors last Friday at the home of their son-in-law and daughter, Mr. and Mrs. Lloyd Jacobson of Enchant.

Mrs. Bennett Dew is a patient in Bassano hospital with a sprained ankle. Best wishes for a speedy return home are sent to her.

Mrs. Bert Clemmons, Rickie and Elinor spent a few days during the week visiting her parents at Cluny.

Chinook winds arrived on Friday and the heavy snow drifts are disappearing. A spell of Indian Summer is on the hoped for list, of everyone.

Home and School Variety Show

The Home and School Variety Show which was held on Friday night, proved very successful and was well attended.

"O Canada" opened the show, followed by numbers from Grades 1 and 2 room; 3 and 4 room; 5 and 6 room, and 7 and 8 room, which were organized by mothers of children in those rooms. Two skits under the direction of Dean Côté were also enjoyed. Vocal solos by Maureen Phillips and Dale Wyatt and a piano solo by Jennie House, followed. An accordion duet by Carol King and Beverly Campbell and a tap dance duet by Sharon House and Carolyn-Hayes proved very entertaining too. Mrs. Jewel McDaniel gave a monologue and to complete the program, two quartette numbers, one of men and one by Filla Lilla Hawaiians were given. The last item was the Fashion Show given by the local Lions Club with men modeling ladies' fashions, which proved quite hilarious and sent everyone home, with a smile. "The Queen" followed. W. McDaniel was master of ceremonies and kept things rolling all evening. This evening was sponsored with the idea of raising funds as well as providing an evening of entertainment, and seemed to be quite successful both ways.

The Home and School take this opportunity of thanking all who attended and helped in any way.

MAJORVILLE

The Milo-Queenstown Lutheran WMF met for the November meeting at the home of Mrs. Hugh Winh. Despite the foggy afternoon, thirteen members and four visitors were present. The meeting opened with singing, "What a Friend We Have in Jesus" followed by the "Lord's Prayer" in unison. A letter of thanks from the World Action Relief was read, acknowledging the shipment of used clothing, and in this regard it was asked if someone would take over the collecting of further donations. After some discussion it was decided to set the December meeting as a collecting day and any members having clothing to donate for this purpose to bring the articles to that meeting and a packing bee will be conducted as part of the meeting. Mrs. Chester Thompson, Mrs. Freda Prentice, Mrs. Mel. Schaub, and Mrs. Bob Deitz planned to attend the workers conference in Calgary, but as the weather broke and blizzard conditions were the order of the day they were unable to go.

During the devotional, Pastor Foster gave an outline introduction of the new Bible studies for the coming year which will be from the book of Judges. Department reporting secretaries were appointed and are: Missions, Mrs. Foster; charities, Mrs. Jack Deitz; cradle roll, Mrs. George Heather; education, Mrs. Schaub; life membership and in memoriam, Mrs. Bob Deitz, and promotion, Mrs. M. Clemmons. The treasurer, Mrs. Schaub, reported over \$170 from the bazaar, plus fifty dollars from a painting donated to the W.M.F. by Charles Northcott. It was agreed to pay for having the church site surveyed.

Mrs. Bruce Henry, Mrs. Bartsch and Mrs. Gordon Boyd assisted the hostess serving lunch. A hymn followed by prayer by Mrs. Foster closing the meeting. The next meeting will be at the home of

ARMADA

The Annual Chicken Supper sponsored by the Armada Memorial Center proved to be another great success despite the cold weather, with net proceeds amounting to approximately one hundred and twenty dollars. A free dance followed the supper.

Mr. and Mrs. L. Stokes motored to Calgary last Tuesday, returning home the same day.

A shower in honor of Mrs. Harold Magnuson, a recent bride, will be held Tuesday evening, Nov. 26, in the local hall.

Mr. and Mrs. I. Kunkel were business visitors to Calgary on Friday. They were accompanied home

by their daughter, Gail of Red Deer, who spent the weekend with her parents.

Mr. and Mrs. Harold Magnuson sponsored a wedding dance last Friday, which was very much enjoyed by everyone that attended.

Miss Marvina Stokes was a Lethbridge visitor.

Mr. and Mrs. Harvey Howell and son were weekend visitors with relatives in the district.

Mrs. Hazel Marks motored to Calgary on Friday and was accompanied home by Tom, Gwen and her girlfriend.

Bill Marks motored to Rochester a couple of weeks ago and entered the clinic there for an operation. He was accompanied part way by Harry Manning.

Sympathy is extended to the Boyd family on their recent bereavement.

Mrs. Madeline Severson spent the weekend at her home in Enchant.

The gravel crusher and crew has now moved in and graveling of some roads in the district has begun.

A welcome change in the weather took place on Friday, when a windy chinook blew in, turning the few inches of snow to great puddles of water before the day ended. Most of the roads in the district had been cleared of snow only a few days before so they were in fairly good shape, however many other are reported to be heavy.

Friends of George Brotherhood, of High River, a long-time resident of the district, will be sorry to learn he is confined to a Calgary hospital. Get well wishes go out to him.

Mr. and Mrs. Len Stokes and Lana were recent visitors at the home of Mr. and Mrs. Bruce Veilleux of Longview.

The next meeting of the Armada Community Club will be held at the home of Mrs. Mary Stokes.

MILO

The High School Drama Club's Variety Concert was held in the school auditorium on Wednesday, Nov. 20. A good crowd was in attendance and the evening's entertainment was enjoyed by all.

The Milo basketball teams played hosts to the Vulcan Clubs on Friday evening, Nov. 22. The Vulcan teams were victorious in both games.

The Milo High School held its annual Sadie Hawkins Week and initiation from Nov. 18-22. Girls in the High School spent the week catering to the boys. The Grade 9 students spent the entire day of Nov. 22 dressed in clothes of the opposite sex, as part of the initiation ceremonies. The proceedings were concluded with a party in the school auditorium on Saturday evening, Nov. 23. The "culprits" of the week were "tried" and "sentenced" by a judge and jury composed of Grade 12 students. A presentation was made to Neola Crabb, a former student in Milo, who has moved to Vulcan.

The Boy Scouts and Wolf Cubs will follow their customary plan of selling peanuts. They will be on sale at most stores and garages in Milo. This will be an ideal way of getting your Christmas treats and helping the boys groups as well. The same groups will have Christmas trees available by Dec. 15. They will be on display at Black's store and will be selling at very reasonable prices.

The farmers are still attempting to deliver their one-bushel quota of wheat but are handicapped by lack of elevator space. In the past week, from Milo alone, there have been twenty-seven cars of pearly barley shipped. This is something of a record in barley shipments and should provide much needed cash which wheat cannot provide. When the barley shipments are completed there will be some hope of movement of wheat.

DOG TAX

(Evan Beechman)
History repeats itself. Two thousand years ago there went forth from Augustus Caesar a decree that all the world should be taxed. Today there goes forth from the August Council of the Village of Milo a decree that all dogs shall be taxed. How many a canine is trembling in his shoeless feet lest his owner consider him to be worth less than the price of the licence.

Inward introspection reminds him of his many faults, damaged gardens, night serenades to the moon, piles of used and smelly bones, lessened life expectancy of power and telephone poles, muddy feet on clean trousers, tracked floors, irate cat owners and all the other disadvantages of owning a pooch.

Cheer up little doggie. We who love you, salute you. One look from your brown eyes and we know that nowhere else in the whole wide world can one buy such loyalty love and affection. We will be your Santa and for Christmas expect our gift to you, one dog licence and with it, the right to life, liberty and the pursuit of happiness.

MAJORVILLE

Mr. and Mrs. Bob Scott, accompanied by Bob's mother went to Calgary at the first of the week. Bob had a medical check and expects to enter the Holy Cross Hospital shortly to undergo surgery.

Mr. and Mrs. George Klemmele were visitors to Morrin this week, where they were guests of Mr. and Mrs. Ted Klemmele. On the return trip they were accompanied by Mrs. Ted Klemmele and children who will visit for a while with her parents, Mr. and Mrs. Sandy Henry.

On the occasion of Mrs. Hugh Winch's birthday, a number of neighbors met at her home on Saturday evening. The evening was spent playing court whist and cribbage. High scorers at whist were Mrs. George Heather, Mrs. Barstsch; low were Mrs. Lewis Greaves and Mrs. Hugh Winch.

Just as it looked like a spell of Indian summer was on the way, another blizzard and three day snow storm left from three to six inches of snow, and although roads were open, travelling was heavy. On Wednesday afternoon and evening a heavy fog made things miserable for a while. Sunday saw a nice bright day, but it was below zero in the early morning. If this snow means that winter is here it will be a long one and mean extra chores at feeding time as stubble fields are snow covered and cattle that would normally feed on the stubble will be around the feed lot at feeding time.

Art Nelson and Bert Clemmons on the way home from a goose chase with Larry Umscheid re-

cently stopped off at Larry's for a while before winding their way home. Little Randy enquired from his Uncle Art when Santa was coming. "On," answered Art, "not for a day or two, yet." "Santa won't bring you anything," said Bert. "Why not," asked Randy. "Because you fight with Kelvin," replied Bert. "When did I fight with Kelvin," Kandy wanted to know. "Remember down at the lake last summer how you fought with him," Randy thought that over for a minute and then said, "Well that's alright, I didn't want anything anyway."

Mr. and Mrs. Ron Beagle and family and Mr. and Mrs. Mel Beagle of Arrowwood were Sunday guests at the home of Mr. and Mrs. Hugh Winch.

Mrs. Prentice left on Friday for Kelowna, B.C., where she will be the guest of her sister-in-law, Mrs.

Ted Rosene. Her brother Ted Rosene is a patient in Kelowna hospital.

ALBERTA EDUCATIONAL SERVICES

CO-OPERATION IN SCHOOL SUPERVISION

Under the Chief Superintendent of Schools, the welfare of education is maintained by continuous co-operation with local school boards. A forward step in rural education was made by the Alberta Government when the province was organized into 52 school divisions and 7 counties, thereby permitting more modern schools and more effective teaching through the centralization of rural school districts. Close liaison is maintained with school boards through 58 provincially appointed School Superintendents, one of whom is assigned to each school-division. These men are responsible for working closely with the school board, providing them with advice; and interpreting for them the educational policies of the provincial government. The Superintendent also works closely with the principals and teachers in his school Division. Direct supervision and counsel to high school teachers is regularly provided by qualified High School Inspectors who visit all classrooms in the Province from grades 10 to 12. As well, special supervisors are provided to supervise instruction in Home Economics and Industrial Arts in all schools where these courses are taught.

ALBERTA SCHOOL BROADCASTS

One of the most popular government services is the School Radio Broadcast service maintained by the Department of Education which has grown to the point where more than 50% of all classrooms, from grades one to nine, listen regularly to these informative, interesting radio programmes. Prepared under the direction of the School Broadcasts Branch, they comprise instruction on social studies, literature, current events, speech, music, and so on, based directly on the curriculum. Teacher guides are published to assist in preparing classes for each educational broadcast instruction.

TEACHING BY AUDIO-VISUAL METHODS

The Provincial Government maintains an Audio-Visual Aids Branch from which films are provided to Alberta Schools free of charge at the request of the School. The library contains some 1200 carefully selected films, which cover a wide range of approved curriculum topics for Alberta Schools.

THE ALBERTA SCHOOL FOR THE DEAF

Another Alberta government service in special education is the modern residential school for the deaf at Edmonton. It provides academic and semi-vocational instruction for Alberta's deaf children between the ages of five and eighteen; all costs of which are borne by the Provincial Government.

THE PROVINCIAL INSTITUTE OF TECHNOLOGY AND ART

The Institute is located at Calgary under the direction of the Department of Education and is affiliated with the University of Alberta. The purpose of the Institute is to train men and women for semi-professional positions as assistant engineers and technicians in industry. Courses are terminal and provide the necessary theoretical knowledge and skills for students to qualify, ultimately, for responsible, supervisory positions.

Carmangay

Mrs. John West returned from attending her sister's funeral at Regina, Sask., recently.

Mrs. Mabel Middleton left for Abbotsford, B.C., this week for a vacation where she will visit with relations.

Allan Clarke of Creston, B.C., was a visitor for a few days at the home of Mr. and Mrs. Dale Clarke.

Mr. and Mrs. C. W. William of Pincher Creek were visitors at the home of Mr. and Mrs. A. Shumaker.

Mr. and Mrs. Leonard McGinnis of Creston, B.C., were visitors at the home of Mr. and Mrs. Gilbert McGinnis.

Mr. and Mrs. John McFarland, Mr. and Mrs. Mel McLeod and Mr. and Mrs. Dale Clarke, attended the Lions Charter Night at Vulcan last Wednesday.

Mr. and Mrs. Jim Lee left for Crossfield, where they attended the wedding of their nephew.

Mr. and Mrs. Ed. Newton and four children of Del Bonita were visitors at the home of Mr. and Mrs. Ivan Ohler last week.

A large number of Carmangay Lions attended the Lions Charter Night in Champion on Tuesday evening.

C.G.I.T. Meeting

The regular meeting of the C.G.I.T. was held Wednesday with a good attendance, with two new members joining. Plans were made for lunch to be served at initiation on Wednesday, Nov. 27.

Miss Pat Nugent conducted the Bible study. Calendars were passed out for the girls to sell. Miss Carol Shearer led the girls in worship.

The meeting closed with taps and the benediction.

West Club Meeting

The ladies of the West Club met at the home of Rosella Hubka with nine members and one visitor present.

Final plans were made for the contribution towards the Home and School variety program to be held Nov. 29. The raffle was won by Phyllis Clarke.

The hostess served lunch based on the country of Italy, assisted by Gladys McGinnis.

Priscilla Club

The North Priscilla Club met at the home of Lydia Anderson on Nov. 20, with ten members present. The meeting opened with the rising and repeating the club creed. The final plans were made for the Oldtimers supper on Tuesday evening. It was decided to have a Christmas party for the club members and their families.

The rest of the meeting was spent playing bingo. Raffle was won by Connie Stettner.

The next meeting will be held at the home of Doris Brantford on Dec. 4, and roll call will be to bring a Christmas verse to recite. The hostess served a delicious lunch.

JOHN TURNER

A large turnout of friends and relatives attended the funeral services in St. Augustine's Anglican Church for the late John Brear Turner of 717 13th St. S., who was well-known in the Carmangay district.

Mr. Turner was well known in the Barons district and had been active in building of the Barons Community Hall and other community activities at Barons.

Rev. Canon Leslie Grant of Lethbridge officiated and interment was in the Mountain View cemetery. There was a large display of flower tributes from the many friends and relatives of the deceased.

Honorary pall bearers were W. Imeson, N. C. Allan, A. J. Davis, D. Russell, E. Leadbetter and A. F. Jacobson.

Active pall bearers were G. E. Wobick, D. Greenwald, Leslie Ingle, I. Saffel, G. Hughes and A. D. Lyon.

Martin Bros. were in charge of the arrangements.

Lions Club Carnival

The Carmangay Lions Club held another successful carnival that was climaxed on Saturday night

with the crowning of Beverly Burns as queen. The Community Hall stage was beautifully decorated by the ladies for the coronation ceremony, which was performed by reigning queen, Carol Smith. Princesses for the queen were Donna Anderson and Shirley Housanga with Debbie De Mario and Dianne McDonald acting as flower girls.

The Lions president, Nebl McLeod presented the girls with gifts of luggage in appreciation of their help and the flower girls received toy lamps.

On the first night the electric blanket was won by Mrs. Julia Gower and the door prize by Ed. Brownell and on the second night Ole Orker won the blanket and Glen Crow the door prize.

The Boy Scouts under their leaders, Ben Coombs and Don Miller were in charge of the refreshment stand and were busy both evenings.

COPELAND — McNAB

Emmanuel Anglican Church was the setting for the wedding on Nov. 16, of Miss Merla C. McNab and Donald W. Copeland, both of Pincher Creek.

The bride was escorted by Rob. Clark.

Clark to the flower decorated chancel where the Rev. R. H. Johnson read the marriage vows.

Her gown was of white lace with a pleated panel of nylon net in the front of the waltz-length skirt. Her embroidered chapel veil was held in place by a pearl and rhinestone tiara and she carried a white prayer book overlaid with a white gardenia, pink roses and satin streamers.

The maid of honor was Gladys Bitterose, wearing a deep rose net gown trimmed with silver thread and carried white carnations and lily of the valley.

The bridesmaid, Myrna Clark, wore a turquoise blue lace and net gown and carried pink carnations.

Leota Clark was the flower girl, dressed in pale yellow and carried white carnations.

Each wore a mohair bandeau trimmed with pearls in shades matching their gowns.

James McGarva of Pincher Creek, was best man.

Mrs. L. Baldwin played the wedding music and the selections, "Prayer" and "O Perfect Love," during the signing of the register.

A reception for friends and relatives from Pincher Creek, Barons and Carmangay, followed at the home of the groom's brother-in-law and sister, Mr. and Mrs. Rob. Clark.

Farm Forum Activities

The Gaye West Farm Forum group at Carmangay met at the home of Rob. Clark's on Nov. 18. There were 14 present in all. Program for the evening, "A new look in farm machinery" proved quite interesting as a great many points were brought to light.

The answer to what new types of machinery are needed for the kind of farming carried on in your community brought out different opinions. One or two believed there was no need for any new ones with there being too many to deplete the farmer's bank account already, however the forum favored the need of a crop drier, reasonably priced and one that would not involve too much for installation and still be efficient and not too costly to operate. General intention of its use would be for the odd tough

load that a farmer happens to get either by accident or does so in order to finish a field before moving.

Second question: What changes should be made to improve the machinery you are now using, brought out more suggestions. It was pointed out that more identical parts could be used on the same and even similar machines and would mean a saving to manufacturer and to consumer. Should study more on tractor comfort, cabs, seats, platforms, air conditioning, etc. Cabs could be more adaptable, e.g. convertibles. Trend should change to easier access to faster wearing parts. Versatility should be a main consideration.

Members of the forum were pleased to hear their forum men-

tioned over the air in regards to the amount of capital needed for a farmer to start operations in our area. We stated \$43,000 would be required to buy a section of land and have enough cash to machine it and operate it for the year.

Next Monday, Nov. 25, is fourth night and the forums of southern Alberta will meet together at, on display. Xmas orders to be in Claresholm and will hear Bill Per-

kins from the Alberta Safety Council and also a report on the workshop held at Banff a few weeks ago.

Meeting was adjourned with a tasty lunch served by the hostess.

For Avon specials see Mrs. Kay Coombs' 48, Carmangay. Xmas book orders to be in by Dec. 7.

Lomond News

Mrs. Robert Nimz, Jr., of Lethbridge spent several days at the home of her parents, Mr. and Mrs. L. M. Chase.

Little Kathy and Donnie Richardson of Vulcan, were guests last week at the home of their grandparents, Mr. and Mrs. L. M. Chase, while their mother, Mrs. Ralph Richardson was a patient in the Vulcan hospital.

Mr. and Mrs. Bob Cyr and family of Montgomery were recent visitors at the home of the latter's parents, Mr. and Mrs. J. W. Chambers.

Mr. and Mrs. Norris Hanna are visitors in Mt. Lehman, B.C., where Mrs. Hanna's mother, Mrs. Sara Budgley is confined to the hospital. Best wishes for a speedy recovery are extended from her many friends in Lomond and district.

The Lomond 4-H Sewing Club held their regular meeting on Wednesday, Nov. 13, at the home of Miss Karen Fraser. Ten members were present with one first year girl absent. Following the business meeting the president, Sharon Humphreys turned the rest of the meeting over to the leaders. Mrs. Mary Lindsay gave the third year girls a demonstration on how to cover buttons while the first year girls were busy working on their sewing kits. After which the meeting was adjourned.

Friends will be sorry to learn that Mrs. Mack McKay's father, Mr. Shrigley, of Vulcan is seriously ill and a patient in the Vulcan Hospital. Best wishes are extended for a speedy recovery. Mrs. McKay is staying with her mother at present.

The W.M.F. Lutheran Ladies' bake sale and bazaar and supper held in the Community Hall Saturday, Nov. 23, proved very successful.

Mr. and Mrs. Leonard Benson and family have returned home after visiting various members of their family in Calgary, Red Deer and Endiang.

Mr. and Mrs. Earl Helland and Mr. and Mrs. Ralph Chapman attended the Lions Charter in Champion on Monday evening, Nov. 18.

Mr. and Mrs. Floyd Sande and Mr. and Mrs. Leonard Chase attended the Lions Thirteenth Annual Charter Night in Vulcan on Nov. 20.

Mr. and Mrs. Harry Hammer and Selma of Champion were visitors in Lomond on Sunday of last week.

Quite a number from Lomond, attended the wedding dance of Mr. and Mrs. Harold Magnusson in Armada on Friday evening, Nov. 22.

St. Johns Anglican Ladies' Guild
The regular monthly meeting of the St. Johns Anglican Ladies' Guild was held at the home of Mrs. Edith Neilson on Thursday evening, Nov. 21. Roll call was answered by nine members. There were two visitors present, both of whom joined.

Mrs. R. Frost was in the chair and opened the meeting by having the members repeat the Lord's Prayer in unison. Minutes of previous meeting were read and approved. Report was given about storm windows and a motion made and carried that the guild purchase same for the south side of the church. Rev. Johnson mentioned that perhaps the guild might like to help towards supplying a new sink at the rectory. A motion was made and passed that the guild do so. Treasurer's report was given and accepted. A letter of thanks is to be written to H. Goldthorpe for making and putting up a church sign. Rev. Johnson asked for a report from the Sunday School, but as the superintendent was absent it was tabled until the next meeting. A motion was made and passed that \$10 be donated for Sunday School treats for Christmas. Committee to help teachers fill candy bags are Mrs. Merrick, Viola Maronda and Jean Fraser. Lions supper for Dec. 3, was planned for from 60 to 65 members.

A short talk was given by Rev. Johnson on choosing a theme for study in future Guild meetings. For December meeting the theme of modern India. Mrs. Skeith offered her home for the December meeting on the evening of Dec. 12. On lunch there will be Mrs. Bolduc, Mrs. Ralph Chapman, Mrs. W. Chapman and Mrs. Frost.

A very lovely lunch was then served by the hostess and her assistants to bring a very pleasant evening to a close.

W.M.F. Meeting
The November meeting was held at the home of Mrs. K. Pedersen and was opened with the song, "Jesus Saviour, Pilot Me." Pastor Foster gave the devotional, reading from the "Book of Judges" and leading in prayer, followed by the song, "Take me as I am." The roll call was answered by twelve members.

The reports of the secretary and treasurer were disposed of in order. Two gifts of \$10 each were received, one from a member and the other from an interested business couple here in town. These gifts are very much appreciated.

The officers of the club would also like to extend their thanks to all ladies and members who helped with donations of food for the Lions Ladies' Night; and as this will come after our annual bazaar, bake table sale and supper, may we also thank those who gave donations and time to help with everything.

As this was also our annual meeting, nominations were called for: The president, vice-president and the secretary remain as 1956; Mrs. Helen Walker is the new treasurer, and the sewing and sick committees also remain as in 1956.

The meeting closed with the song, "Just As I am" and the Lord's Prayer repeated in unison. The next meeting will be at the home of Mrs. Evelyn Elliott. A lovely lunch was served by the hostess, assisted by Mrs. Paul Ost, Sr., and Mrs. Paul Ost, Jr., who were on the lunch committee.

Home and School Association

The November meeting of the Lomond Home and School Association was held in the local school auditorium on Wednesday evening, Nov. 13, with a fairly good crowd in attendance. Mrs. L. Huff, president brought the meeting to order by having the creed repeated in unison and Mrs. R. Honess read the minutes of the previous meeting. Business and discussion followed.

It was learned that no further information or forms regarding the School Insurance Plan had been received either by the principal or by Home and School officials, at the time of the meeting.

Two letters, one from Mr. McQueen of Vulcan, regarding a set of encyclopedia for the school, and the other from Mrs. Ward, Regional vice-president of the Home and School, regarding the conference to be held in Claresholm on Saturday, Nov. 16, constituted the correspondence.

Members were reminded that December 31, would be the deadline for submitting resolutions to the Home and School Association, and it was decided that the executive should meet to discuss this matter preceding the December meeting of the local organization.

At this time, Mr. Liebreich, on behalf of the staff of Lomond school, extended a further invitation to the parents to take advantage of the parent-teacher interviews being held at the school each evening and submitted some information pertaining to the grading system now in use here.

This was followed by a lengthy discussion on the topic of a Christmas concert, which resulted in the passage of a motion that a Christmas party be held in the school, with tree, Santa Clause, and treats being provided by the Home and School Association. The committee volunteering to take care of the above items consisted of Mrs. R. Honess, Mrs. J. Gray, Mrs. Brooks, Mrs. F. Maronda and Mrs. Armstrong.

This concluded the business part of the meeting, and chairmanship was turned over to Mrs. M. Liebreich, program convener, who introduced the panel chosen to discuss the problem, "What Changing Patterns in Family Life Are of Greatest Significance?" — Mrs. L. Huff, Mrs. Clifford, Mrs. F. Crawford and R. Elliott. After they had presented their viewpoints with regard to such things as "Work," "Leisure," "Mass Media," and "The Authoritarian Family," the rest of the members were given the opportunity to submit questions and to express their own ideas toward the subject.

The program was concluded by a very interesting report given by Mrs. R. Elliott on her attendance at the Banff workshop in October. A delicious lunch was then served, bringing the evening to a very enjoyable close.

Look what your money is doing!

Every time you make a bank deposit—no matter how small—you are helping to finance better living for yourself and for your fellow Canadians. The BNS statement below shows how your money is put to work, so that you enjoy better products... better schools... better roads... better living. The Bank of Nova Scotia is proud to be associated with more than a million depositors in this continuing story of money in action.

The Bank of Nova Scotia's 126th Annual Statement

AS AT OCTOBER 31, 1957

LIABILITIES

—money entrusted to us

\$1,260,611,795 Deposits.
More than a million customers now bank with the BNS. They deposit their money for a host of reasons—to meet business and household needs... as a retirement fund for the future... or to finance a college education. Our customers place these funds for safety and convenience in current and savings accounts, personal chequing accounts, and such special accounts as the Bank's unique PSP.

\$19,780,600 Letters of credit.
This is the extent to which the Bank has guaranteed the credit of our customers buying from suppliers, particularly those in foreign lands. It matches the amount pledged by customers for repayment (see amount opposite similar heading under "Assets"). Business at home is thus encouraged to expand abroad... another way the Bank serves as a partner in Canada's progress.

\$4,964,680 Other liabilities.
This represents money set aside to cover expenses which must be met but are not yet due... such as our 1957 Income Tax.

WHAT THE SHAREHOLDERS CONTRIBUTE

\$70,004,090 Capital paid up, reserve account and undivided profits.
The shareholders—the real owners of the Bank—contribute these funds which protect the interests of the customers. They thus ensure the strength and stability of the BNS, and help make possible the Bank's increasing role in a growing Canada. Total Liabilities \$1,355,361,165

ASSETS

—how The Bank puts the money to work

\$193,546,011 Cash, cheques, and due from banks.

BRANT

The Brant turkey shoot Wednesday afternoon was a very successful and profitable event, with 78 birds disappearing like magic. The Ladies' Curling Club served a full course turkey dinner and sandwiches, pie and coffee, all afternoon and evening.

The Brant Home and School Association meeting will be held in the school on Wednesday, Dec. 4, at 8 p.m. Munroe McKay will be guest speaker, choosing as his subject, "The Problem of Small High School." This subject should be of interest to all in a small community, so please try and attend. There will be a Christmas entertainment to follow, with an exchange of nonsense gifts, valued of no more than 25c and a fun period with local talent taking part.

Mr. and Mrs. Edward Prater and Eva, Johnnie and Wallace were Calgary visitors Saturday. Mrs. Prater visited her mother, Mrs. McMullen, who is a patient in the General Hospital in Calgary.

Mrs. Neis Jensen and grand-

daughter, Ellen Watson, spent the weekend visiting her daughter, Mr. and Mrs. Lawrence Bradley and family of Fort Macleod.

Mr. and Mrs. Jerry Ferguson and family, motored to Camrose to visit the former's parents, Mr. and Mrs. Ferguson for a few days.

Mr. and Mrs. Frank Sellars motored on Saturday to Pincher Creek, to attend the wedding of Miss Sylvia Blackburn.

Bob Sellars and Lois McLaren spent the weekend at the former's home.

Keith McBrien and son, Raymond, motored to Nanton for the weekend.

FOR THE REST OF YOUR LIFE

That statement has two meanings: when applied to an electric blanket. It not only provides you with warmth without weight but also gives you constant sleeping temperature. It makes your sleep more restful, and people who use electric blankets just hate to change to anything else, so they will be using them for the rest of their lives. You will, too, after you try one.

With an automatic electric blanket you sleep with freedom from cold, freedom from tiring weight and freedom from changing temperature. In the morning you feel much more rested and full of pep than when you sleep under a load of blankets. In giving the one you love the most, an electric blanket for Christmas you can rest assured that it will keep on giving for years and years. Be sure to order yours today.

Wedding Rites At Carmangay

MILLER — ROBINSON

A recent wedding of interest to their many friends was solemnized at Emmanuel Anglican Church for Doreen Robinson and Donald Keith Miller on Oct. 26. The chancel of the church was decorated with baskets of mauve and white mums and bouquets of spray mums on the altar, before which the double-ring ceremony was performed by the Rev. R. H. Johnson.

The bride, daughter of Mrs. B. Robinson of Edinburgh, Scotland, entered the church with Ben Coombs, who gave her in marriage. She wore a shell pink, satin and lace gown, the full skirt featuring a large satin bow at the back above the lace panel that formed a short train. Her chiffon head-dress was in the same tone, trimmed with silver sequins and held her chapel veil in place. She carried a cascade bouquet of white gardenias with ivy and fern.

The maid-of-honor was the groom's sister, Marjorie Miller of Edmonton and the bridesmaids were Ann Commeline and Connie Bollington. They wore matching gowns of heaven blue chiffon made with shirred yokes over the shoulders ending in floating panels at the back. They carried white velvet muffs and their head dresses were similar to the bride's and the same shade as their gowns.

Little Leanne Miller, the groom's niece, was flower girl, dressed in a white nylon frock and flower bandeau for her hair and she carried a pink and white nose gay.

The groom, son of Mr. and Mrs. K. R. Miller of Carmangay, was attended by his brother, Robert Miller of Calgary. The guests were ushered by Gordon Hildreth and John Parakin.

During the signing of the register, Mrs. Lee Baldwin played Handel's "Largo."

A reception followed at the United Church Hall where Mr. and Mrs. K. R. Miller received the guest with the bridal couple. For the occasion, Mrs. Miller wore a dusty rose lace frock with dark blue accessories and a corsage of white carnations.

The Rev. Peter Dawson led the invocation and Dr. E. P. Szekely proposed the toast to the bride to which the groom responded.

The tables were decorated with pink place cards and tapers and the bride's table was centered with a three-tier wedding cake made and decorated in Scotland.

Robert Miller read a number of telegrams of good wishes from the bride's relatives in Scotland and England.

For a trip to Vancouver the bride changed to a white sheath dress with black coat and white accessories. On their return they will reside in Carmangay.

Guests from a distance were from Lethbridge, Calgary, Edmonton and Champion.

MOSSLEIGH

The Mossleigh Home and School executive held a special meeting to plan a bingo party. The date set is to be Saturday evening, Dec. 7. Watch for posters for further information.

The district extends its deepest sympathy to Mrs. Wm. Campbell on the recent death of her father.

4-H Beef Club Re-organize

The club re-organized the 4-H Beef Club last fall with 25 members from a large area, and the leaders were Howard Tharlie, Dick Hurl, Bill Campbell, George Christie and Leigh Williams.

The executive elected were: President, Dale Wyatt; vice-president, Phyllip Washburn, and secretary-treasurer, Duane Hill.

Prizes and trophies for the previous year were given out at that meeting by the donors or their representatives.

Shortly after the re-organization meeting, most of the members enjoyed the tour of several farms feed lots in the Gladys Ridge area.

On Jan. 19, they visited all the member's calves. This was a car trip of about 170 miles for many members, but it was fun and interesting.

Leigh Williams accompanied the first year members to the Calgary Fat Stock Show.

All club members and many parents enjoyed the tour held in Calgary on April 25. The Imperial Oil Co., showed them their refinery and offices. Each visitor received pamphlets to further explain the business and a small can of fine oil. The Calgary hatchery was viewed after lunch. Later they met at the Robin Hood Mill. Here the guides explained the workings and showed them throughout the large mill.

The field day at Bill Campbell's farm, June 4, was in the evening, before a regular meeting. Barry and John demonstrated the preparation of a calf for show on achievement day. This proved very helpful.

The Achievement Day was held on June 8, with all 25 calves on show. This club is grateful to Joe Leslie for the use of his barn and corral that day, for the weather was very wet.

Ed Noade was the very careful judge and he had a big job. The average quality of the calves was higher this year, as was proven the next week at the sale in High River. In the "best ten" competition, Mossleigh members found themselves not sixth, but fourth this year.

The club had a very full year and now are looking forward to a better one.

The ladies of the Legion Auxiliary wish to thank everyone who helped to make their bake sale and doll raffle such a success on Saturday. The sum of \$196.44 was realized. The doll and wardrobe was won by Mrs. Cecil Rhodes. Mrs. Howe made the lucky draw. The next card party will be held on Wednesday, Dec. 4.

W.I. Meeting

The November meeting of the W.I. was held at the home of Mrs. Lois Schultz with 13 members and one visitor present. For roll call, each member turned in a toy for the Red Cross Hospital, also a bar of soap in a soap box for Unitarian Services.

Mrs. Miller gave her report as Sunshine convener, sending three cards and read thank-you cards received.

A paper on handicraft was read by Mrs. J. Allen due to the absence of Mrs. Sisson.

It was decided to put Mrs. Ed. Knudson's biography in the paper. She was presented with a life membership pin a short time ago.

Mrs. Knudson took the chair for the election of officers: President, Mrs. Sisson; vice-president, Mrs. Hunzinger; treasurer, Mrs. H. Ferguson. Auditors appointed were Mrs. Hunzinger and Mrs. Knutson. A vote of thanks was given the past officers.

The tea prize was won by Mrs. Versluys. Lunch was served by the hostess and Mrs. Gyorffy.

Home and School Association

The next meeting of the Home and School Association will be held Monday, Dec. 2, in the school auditorium at 8 p.m.

There will be a film entitled "Family Circles," shown which has been well received by other Home and School Associations and should prove very interesting.

There will also be a Christmas party.

The method of determining who wins the room picture is as follows: teachers, three points; mothers, three points; fathers, five points, and visitors 1 point.

Lunch will be served and everyone is welcome.

Trees For The Prairie Farm

Joyce Kilmer wrote a poem in praise of the beauty of trees but farmers realize a practical value as well. Whether your trees will adorn the roadside, protect the farmstead or serve as a field shelter belt, now's the time to place your order for fast growing Caragana or hardwood cuttings of Laurel Leaf Willow, Golden Willow or Russian Poplar. Slower growing trees available include White Spruce, Colorado Spruce, Lodge Pole Pine, Siberian Larch, American Elm, Mountain Ash and Green Ash.

If you want trees be sure your land has been summerfallowed for one year, warns P. D. McCallis, Alberta's Supervisor of Horticulture. No orders are shipped unless this condition has been fulfilled. Success in this venture depends upon many conditions so why not discuss your tree planting plans with your District Agriculturist first?

Trees are obtainable, express collect, from the Alberta Department of Agriculture, Legislative Buildings, Edmonton, or from The Federal Forest Nursery Station, Indian Head, Sask. Orders sent to Indian Head must be received one year prior to planting. Indian Head evergreens cost 1¢ a piece and the applicant is limited to 200 trees a year.

Over 16 hundred farmers received 1,400,000 trees from Provincial

SEED QUALITY — WHAT ABOUT IT?

In grain farming the use of "good seed" is the soundest practice of all. Even the most highly organized grain farm will quickly tumble to poverty if it is denied the right seed for the right job. The old rhyme says that out of every four seeds that the farmer sows there is one for the worm, one for the crow, one to rot and one to grow. Although the situation may not be quite that serious in Western Canada, the rhyme does emphasize the importance of planting seed of the highest possible quality. What about it? Will the grain you produced in 1957 make good seed for 1958?

What is Good Seed? Of the many factors that can affect the quality of seed the following are of major importance: (1) Germination and vitality; (2) Freedom from disease; (3) Freedom from weed seeds and other impurities. High germination is, of course, the first requirement of good seed. However, ability to merely germinate is hardly enough. Unless a seed will grow and produce a strong, healthy seedling when it is planted, it is of little use. Unfortunately, a great deal of low-grade grain was produced in the Prairie Provinces this year. Our preliminary germination tests show that many seed samples, particularly of oats, barley and flax from this year's crop, are germinating very poorly. Consequently, we strongly advise farmers to have a germination test made on any grain from the 1957 crop they intend to use for seed in 1958.

Free Tests Available. — To help farmers to find out whether or not the grain they intend to use for seed next Spring comes up to "good seed" standards, the Line Elevators Farm Service operates a first-class seed testing laboratory. Without charge, any farmer anywhere can have his seed tested for germination, for the presence of surface-borne smut, and for weed seed content. Local Agents of any of the Companies listed above will be glad to forward your seed samples to Winnipeg for testing. Now is the time to determine the "seed value" of the grain you intend to use for seed in 1958.

Nurseries this year. Join them in reaping tree benefits by ordering your 1958 trees now while the selection is still good. The Vulcan West F.U.A. meeting will be held at the home of Joe Osterman on Dec. 2.
